BUILT TIER III DATA
CENTER IN CHICAGO.”***

300,000+
SQFT GREENFIELD DATA CENTER

ABOUT

111 East Cermak Road Chicago, IL

JRM Technology is backed by over 100 years of construction excellence. JRMT was founded by the McHugh Family to build state-of-the-art data centers.

JRMT's Tier III purpose built data center, 111EC, is located only blocks from 350 East Cermak. 111EC is over 300,000 sq. ft. of Greenfield Data Center Space. Each of the 6 available floors is 51,200 sq. ft. of customizable data center space. The 27,000 sq. ft. mezzanine is dedicated for mechanical.

“AT 111 EAST CERMAK OPERATIONS ARE SEAMLESS.”
